REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested for the above-identified patent.

The following errors were made:

In the claims, issued claim 7, Column 9, Line 16, the recitation, "the method composing:" is incorrect. As set forth in the Amendment filed with the U.S. Patent and Trademark Office on January 30, 2008, the correct section should read as --the method comprising--.

Furthermore, it is noted that a minor typographical error was made in the Amendment filed January 30, 2008 wherein an inadvertent period was added to the body of the claim. The error appears in claim 17 of the Amendment and reads "value; and." The Patent Office is thanked for correcting this minor typographical error in issued claim 13, at Column 10, Line 26, which correctly reads --value; and--. Issued claim 13 was claim 17 during prosecution.

Attached is a certificate of correction, which indicates the correction to be made, by reference to the column and line numbers in the printed patent. Because the error was made by the Patent Office, no fee is necessary. However if it is determined to be our error, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
